In a vibrant suburban neighborhood sits a picturesque 3bed/2bath home with old-world charm reminiscent of an English cottage.

A quaint white picket fence borders the gorgeous vine & shingle-covered facade on a 4,176 sq ft lot. Gaze into the airy living room as light shines through large diamond windows, reflecting off the vibrant, refinished wood floors. Wander into the dining room for a glimpse of the serene backyard accessible by beautiful French doors, and swing open the butler door to find the stylish kitchen with black countertops/appliances and warm wood cabinetry.

Embrace the home's European vibes by unwinding on the raised patio overlooking a flourishing rose garden and tall Italian Cypresses or lounge by the wood-burning fireplace at night. This homey abode includes Kenmore washer/dryer, and a detached garage with an elongated driveway. Desirably located near Diamond Park, Lake Merritt, & Highland Hospital with easy access to 580.
